App Features

- Create a GenieMart account with email verification
- Browse and search listings by category or keyword
- Post items for sale with up to 8 photos
- Built-in messaging between users
- User profile management: edit listings and manage favorites

Our goal: Provide UNCG students with a marketplace platform that guarantees safety, reliability and gives back to the UNCG community

GenieMart will allow UNCG students to register with their UNCG email and buy and sell products after their email is verified.

Supports secure interactions to arrange local, in-person meetups
